

DynamiQ™ 650

Height adjustable cart for large displays

The DynamiQ 650 cart is a mobile AV solution designed for large format displays and whiteboards, making it a great option for classrooms and training centers.

The height adjustable mount uses a patented spring technology that allows the display to move up or down with a simple touch of the finger.

The bundle includes the DynamiQ 650 mount, mobile cart and VESA mount. When ordering, please specify display model.

FEATURES

- Designed for touch panels up to 98 inches
- VESA adapter included (200×200 up to 800×600)
- 5-inch rubber non-marking wheels, 2 fixed, 2 pivoting
