

# MAX Cart

## Mobile cart for large displays

The MAX Cart is a reliable and dependable mobile stand for large displays and supports single displays up to 110 inches and interactive touch panels. The MAX Cart is designed to support a single display up to 325 lbs and provides our universal display mount. The side handles provide maximum stability and ease when moving the cart across various flooring.

### FEATURES

- Supports single 110 inch display or up to 325 lbs.
- Universal display mount
- Side handles for easy maneuverability
- 6-port surge protector
- Black powder coat finish
- 100% solid steel construction
- TAA-Compliant - meets the needs of U.S. Government projects

\*If you have a display larger than 110 inches, please contact your AVTEQ representative for more information.
