

# SDS Tablet Floor Stand

## Kiosk Stand for Small Displays

The SDS Table Floor stand is a stylish tablet kiosk that is perfect for open area meeting rooms, lobby displays, temperature check-in areas, and other spaces where wall mounting is not an option. It's sturdy, free-standing design makes it easy to move and place the stand where needed. The removable back panel provides secure access for any cables to support the device.

### FEATURES

- VESA 100x100 mount
- Locking rear panel
- Internal cable management
- Floor anchoring holes
- Black powder-coat finish. Custom finishes available.
- TAA-Compliant – meets the needs of U.S. Government projects

### MOUNTING ACCESSORIES

- Apple iPads (approximately 9" to 10.5" screen size) including the 10.5-inch iPad Pro, iPad Air 2 and iPad Air, and the iPad 4, 3, and 2 (IPAD-MOUNT)
