

# MP58-WH E2 Smart Business Phone for Zoom

Based on Android 13 OS, the MP58-WH E2 is a Zoom-tailored IP phone with a 7-inch capacitive touch screen and a rotatable LCD design, which offers a faster response speed. The MP58-WH E2 is suitable for mobile office scenarios and supports the new Bluetooth wireless handset BTH58, providing high-definition voice communication while improving personal efficiency. Thanks to Yealink Optima HD voice, and the hardware of a full-duplex hands-free speakerphone with AEC and HAC handset, the MP58-WH E2 delivers high-fidelity sound quality and noise cancellation to provide you with a standalone voice solution and an unmatched HD audio experience. Moreover, MP58-WH E2 gives you a rich expansion of features thanks to its built-in Bluetooth, Wi-Fi, and dual USB ports for the headset.

Wireless Handset

7-inch Multi-touch Screen

Android 13.0

Gigabit

HD Audio

Built-in Bluetooth

Built-in Wi-Fi

USB 2.0

Zoom UI

## Key Features and Benefits

- Android 13.0
- Zoom User Interface
- 7 inch (1024 x 600) Capacitive Touch Screen
- Bluetooth Handset BTH58
- Optimal HD audio, Yealink Noise Proof Technology
- Full-duplex hands-free speakerphone with AEC
- Built-in Bluetooth 5.2 Module and 2.4G/5G Wi-Fi
- 2 x USB 2.0 port, Support USB Headset, Media and Storage Applications
- 1 x USB Type-C port
- Dual-port Gigabit Ethernet, Support PoE
- Wall mountable
- Support Yealink/Zoom Device Management Platform

### Simple User Interface, Optimal User Experience

MP58-WH E2 is a Zoom-tailored IP phone with a 7-inch capacitive touch screen, and a rotatable LCD design, achieving an easy-to-use interface. MP58-WH E2 supports real-time subscription of contact status, one-click call out, and easy call completion. With its calendar function and synchronized Exchange meeting schedule function, the MP58-WH E2 provides convenient meeting operations and a faster response speed. Equipped with 2 x USB 2.0 ports, it supports a USB headset and has built-in Bluetooth and Wi-Fi to provide rich functional scalability.

**Easier to be Heard and Involved in the Call**

MP58-WH E2 combines professional hardware and software technology to deliver crystal-clear voice communications. Thanks to Yealink Optima HD voice and Noise-Proof Technology, MP58-WH E2 provides an excellent audio experience under different networks and bandwidths, allowing users to concentrate on the content of a call. In addition, Yealink is committed to creating ultra-high-definition sound quality solutions from HAC handsets, speakers, hands-free, and sound cavities to ensure your comfort during long calls and protect your hearing.

**Wireless Bluetooth Handset to Enhance Office Efficiency and Flexibility**

MP58-WH E2 supports the new Bluetooth wireless handset BTH58, which allows you to move freely within 10 meters of the phone. In addition, with 10% packet loss resistance, up to 17 hours of talk time, and 46 hours of standby time, the BTH58 provides you with clear voice communication and creates more flexibility in the office.

**Efficient Provisioning and Management**

MP58-WH E2 is coupled with Yealink's efficient auto-provisioning mechanism, including phone deployment and configuration. Administrators can take advantage of centralized deployment, management, and updating. Moreover, MP58-WH E2 supports two device management platforms, including Zoom (ZDM) and Yealink (YDMP) Device Management Platform.

**Specifications**

Specifications	Introduction
Audio Features	<ul style="list-style-type: none"> <li>• HD voice: HD handset, HD speaker</li> <li>• Hearing aid compatible (HAC) handset</li> <li>• Yealink Noise Proof Technology</li> <li>• Full-duplex hands-free speakerphone with AEC</li> <li>• Audio codec: G.722, G.722.1, G.722.1C, G.711 (A/μ), G.723, G.726, G.729AB, ILBC</li> <li>• VAD, CNG, AEC, PLC, AJB, AGC</li> </ul>
Call Handling Features	<ul style="list-style-type: none"> <li>• Incoming/Outgoing P2P call</li> <li>• Cloud PSTN call</li> <li>• Call hold/Call mute/Call transfer/Call forward</li> <li>• Synchronized call logs</li> <li>• Visual voicemail</li> </ul>
Conference Features	<ul style="list-style-type: none"> <li>• Exchange Calendar Integration</li> <li>• Meeting controls (Mute/unmute, hold/resume, hang up, add/remove participant)</li> <li>• Meeting Details</li> <li>• Schedule a meeting</li> <li>• Join a meeting</li> </ul>
Presence and Contacts	<ul style="list-style-type: none"> <li>• Presence status control: available, busy, DND</li> <li>• Set status message</li> <li>• Corporate Directory Access</li> </ul>
